Richville.

—Some of the farmers have begun to shuck corn.

—Edward Catron, the postmaster and merchant at Bigelow, was looking at a tract of land over on the Nodaway last week. It is reported that Mr. Catron never got out of his car, but turned directly around and went back to Bigelow.

—Rev. Neher preached at Marion, Sunday night.

—Quite a large crowd attended Sunday school in Richville, Sunday.

—The mischief makers were not out in this section, Halloween night.

—Fred, Rosa and Marie Egger visited at the Yetter home, near New Point, Sunday afternoon.

—Mrs. Louis Barnsten, from St. Joseph, visited her husband, the fore part of the week. Mr. Barnsten is the enterprising merchant at Richville.

—Edward Casteel was visiting with friends in St. Joseph, Saturday evening and Sunday.

—Miss Lura Taylor visited Miss Agnes Schulte, at Sleepy Hollow, Sunday.

—Miss Bertha Oppenlander, from Upper Nodaway, visited Miss Mildred Weaver, at Look-out View, Sunday afternoon.

—Brother Roberts held services at Woodville, Sunday, morning and evening.

—Mrs. Sarah Carrol and son, William, and granddaughter, Miss Luella Carrol, and Miss Addie Reed, from Colfax, Wash., are visiting Mrs. C's brother, Robert Kneale and family, at Plainview, this week. Mrs. Carrol and children will go to Parsons, Kansas, one day, this week, for a visit with relatives before their return to Washington.

—Mr. Sisk has been hauling wood to the old temple of knowledge. We now have our winter supply of wood placed away in the basement.

—Geo. Gelvin, of Woodville fame, canvassed a part of the Woodville province in the interest of the Roosevelt Memorial Fund. Nodaway Mount would be an appropriate place for a memorial of some kind. It would be visible several miles away.

—Roadoverseer Hugh Brohan, of the Mayflower province, has been working the roads in that province. You should remove a few more rocks down near Cracker's Neck, Brother Brohan.

—Roadoverseer M. M. McIntyre, of the Richville province, has been working the roads lately.

—Mr. and Mrs. Austin Buchinger, from Emporia, Kansas, visited last week with Mr. and Mrs. Wm. McDermott, in Upper Richville.

—Matthew Feichter and wife were the guests of Mr. and Mrs. Sherman Breit, Sunday.

—One year ago, Saturday, Nov. 1, our division, the 89th, again went into the Meuse-Argonne offensive, north of Verdun. Many towns were taken the first three days, and many lives were lost and many wounded. November 3d, near Barincourt, France, by machine gun cross-fire, November 1 was the opening of the third and last phases of the Meuse-Argonne offensive. The enemy's machine guns opened up from ambush with a murderous flanking fire, and literally swept the little valley. Leading to the Barincourt heights, some of our boys fell mortally wounded and slightly also, wading a little stream. Occasionally a sheet of ice was on the water.

Obituary.

George Proffitt, Jr., was born July 2, 1880, and died October 27, 1919, in the Sisters' Hospital, St. Joseph, Mo., from a complication of diseases. The deceased had been in failing health for the past few weeks. The great white plague, tuberculosis, being the cause of his breakdown.

The subject of this sketch was born in Nodaway township, and spent the most of his life in and near this vicinity. He was married to Miss Flora Hughes in 1900. To this union were born nine children, two of whom preceded him to the great beyond.

Funeral services were conducted in Fillmore, Wednesday, Oct. 29, by Bro. Sweet, of Kansas City, Mo.

George united with the Christian church several years ago, and was a faithful and consistent member.

The deceased leaves a father and step-mother, some brothers and sisters, a wife and seven children to mourn his passing away, which will be keenly felt by them. We are not able to fathom the reasons of Death's messenger. We have to content ourselves with knowing that our Creator doeth all things for the best.

The remains were placed away in the silent city of the dead, near Fillmore.

Mourn not his departure, he will live in the eternal glory of his maker.

County School Notes.

The Athletic Badge Test for boys, as adopted by the Playground and Recreation Association of America, is composed of the following stunts:

Pull up (chinning) 4 times.
Standing broad jump, 5 feet 9 inches.
60 yards dash, 8 3-5 seconds.

It is to be hoped that every boy in the county of from ten to twelve years old will be practicing these stunts. Every boy ought to be physically fit, and these exercises will help to make him so. Specialized athletics have developed remarkable American athletes, but they have done most for those who needed athletic training. In these days the boy who makes himself physically efficient is preparing himself for efficient citizenship later.

The following rules shall govern the final competition which will take place at Bigelow next spring:

1. It is necessary to qualify in all three events in order to win a medal.
2. There will be but one trial in chinning, one in the dash and three in the jump.

Directions for chinning: A portable chinning bar in a doorway, a horizontal bar in the gymnasium, or the rungs of a ladder set at an angle against a building may serve the purpose. The boy begins with his hands on the bar. Then with his arms straightened at full length he pulls himself up without a kick, snap, jerk or swing, until his chin is above the bar. Lowering himself again until his arms are straightened, he repeats the "pull up."

Directions for standing broad jump: Whenever possible it is best to prepare a jumping pit by digging up a piece of ground about 4 feet by 25 feet, and have a wooden or metal strip, 2 inches by 4 inches imbedded in the ground at one end of the pit flush with the surface, to serve as a "take off." It is also well to mark off 5 feet 1 inch from the "take off." Each competitor is allowed three jumps, his best jump being taken as his record.

Direction for 60 Yard Dash: The starter gives the signal by saying: "On the mark," "get set" "go." At the word "go," the time per starts his watch; as the runner crosses the finish line, the time per marks the time which must be more than 8 seconds.

Any boy passing these three tests successfully, is entitled to the bronze medal with one star. So boys, get busy!

Quite a number of schools have been visited during the past week: Culp, White, Highland, Oak Grove, Marion, Triumph, Shiloh, Oakdale, Brush College, Elm Grove, Glenale, Kelso and North Center.

Miss Irene Kelly is teaching at Culp. There are 23 pupils in all—4 in the A class, 8 in the B class, 4 in the C class and 7 in the D class. Miss Kelly is one of the old experienced teachers of the county, and this school feels fortunate to have her in charge of the children.

At Divide, Charles Peterson has charge of 15 pupils. He thinks teaching school is pretty hard work, but he is doing very well for a beginner. Miss Nellie Milne, who was so well liked as teacher of the White school last year, is feeling very much at home in the same place this year. Last year her school consisted of eight pupils, with an average attendance of nearly seven; notwithstanding the fact that two of these graduated from the elementary schools last spring, there are eleven pupils enrolled this year. Some weeks ago Miss Milne had a box supper, and as a result the school has a nice new Victrola, which is of great educational assistance.

At Highland, Miss Schulte is teaching her first school. She has 20 pupils enrolled. A stove that smoked was causing considerable trouble; we hope that this will be speedily remedied. Oak Grove has 30 pupils; the teacher is the same as last year, Mr. Harrison. At Divide we found 11 pupils, with Miss Prinswater as teacher. They seemed to be a very happy little family, and how they all did sing! At Marion, Miss Mattie Morris has been pressed into service. She and her 21 pupils seemed to be greatly enjoying their work. Triumph school, with 45 pupils, is one of the large schools of the county this year. Mrs. Dillon seems to have the situation well under control. Shiloh school has 26 pupils; Miss Mohler, who taught here last year, again has charge and has things well in hand. In the near future the children are to have a hot lunch each noon. This is a step in the right direction, and mothers and teacher are to be commended for their spirit of progress. Oakland has the distinction of having an enrollment of five pupils, each one having had perfect attendance for the first quarter of the school year. Mrs. Lizzie Thornhill has charge of this school. The pupils are: William and Dwight Morga, Ricca Meyer, Ralph Burrier and Beattie Swaim.

Miss Adele Maguire has 18 pupils at Brush College, all of whom were present the day of the superintendent's visit. This would be a good place to have hot lunch. Miss Edna Williams has eleven pupils at Elm Grove, ten of whom were present. At Glendale, Miss Mildred Nute has 18 bright boys and girls. The school house is having some badly needed improvements made. At Kelso, Miss Mildred Klapp is doing her first work in the teaching line. There are 31 pupils and the order seems much improved. At Center school, Miss Tudie Martin has nine pupils. They had trimmed the room with beautiful autumn leaves which gave it quite a festive appearance.

October 10, the Forbes school gave a carnival which netted them the handsome sum of \$43.50, with which to buy supplies for the library. Misses Eva Hogan, Myrtle Kennish and Maude Feuerbacher are doing good work and giving satisfaction. We hope to get the work of the five ninth grade pupils approved, so that they may be ready for the tenth grade next year.

Lay a bet on
rolling 'em with

PRINCE ALBERT

the national joy smoke

ROLLING your own cigarettes with Prince Albert is just about as joy'us a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin's cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take to it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jimmy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. And, me-o-my, what a wad of smokesport will ripple your way every time you fill up!

Awaiting your say-on, you'll find today's red bags, red and blue, handsome pound and half pound tin handiwork—and that classy, practical pound crystal glass humidor with sponge, mustener top that keeps Prince Albert in such perfect condition!
